Face Covering Required

Guidance

For fully vaccinated persons, face coverings are not required outdoors except when attending crowded outdoor events, such as: live performances, parades, fairs, festivals, sport events, or other similar settings

For unvaccinated persons, face coverings are required outdoors when physical distancing cannot be maintained. Face coverings are also required when attending crowded outdoor events, such as: live performances, parades, fairs, festivals, sport events, or other similar settings

Face coverings are required, regardless of vaccination status, in indoor settings outside of one's home, such as public transportation.
