

Beyond the Blueprint

As of June 15, 2021 all sectors listed in the current Blueprint and Business Tier Chart may return to usual operations (with the limited exceptions noted below for Mega Events based on the general public health recommendations below).

Sacramento County Public Health Order dated July 29, 2021 directs all individuals in the county to wear face coverings indoors in workplaces and public settings. The Order directs that face coverings shall be worn, regardless of vaccination status, over the mouth and nose, in all indoor public settings, venues, gatherings, and workplaces, such as, but not limited to: offices, retail stores, restaurants and bars, theaters, family entertainment centers, conference centers, and State and local government offices serving the public.

Mega Event: characterized by large crowds **greater than 1,000 (indoors)** and **10,000 (outdoor) attendees**. May have either assigned or unassigned seating, and may be either general admission, or gated, ticketed and permitted events.

The requirements and recommendations for negative testing / vaccine verification were effective June 15, 2021 and will be updated as CDPH continues to assess conditions on an ongoing basis. **Guidance is continually assessed and subject to change.**

**State Public Health Officer
 Order: August 11, 2021,
 Requirements for Visitors in
 Acute Health Care and Long-
 Term Care Settings**

The State Public Health Officer Order applies only to indoor visitation to the following facilities:

- General Acute Care Hospitals
- Skilled Nursing Facilities (SNFs), and
- Intermediate Care Facilities

These facilities must either

1. Verify visitors are fully vaccinated, or
2. Unvaccinated or incompletely vaccinated visitors, verify documentation of a negative SARS-CoV-2 test.

Only the following modes may be used as proof of vaccination:

- COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card) which includes name of person vaccinated, type of vaccine provided, and date last dose administered); OR
- A photo of a Vaccination Record Card as a separate document; OR
- A photo of the client's Vaccination Record Card stored on a phone or electronic device, OR
- Documentation of COVID-19 vaccination from a health care provider; OR
- Digital record that includes a QR code that when scanned by a SMART Health Card reader displays to the reader client name, date of birth, vaccine dates and vaccine type.

All visitors, regardless of vaccination status or test result, must:

- Wear a well-fitting face mask (a surgical mask or double masking is recommended) upon entry and at all times within the facility;
- Wear any other personal protective equipment (PPE) while in the patient's room that facility personnel deem appropriate to the situation; and
- Physically distance from health care personnel and other patients/residents/visitors that are not part of their group at all times while in the facility.

This Order shall take effect on **August 11, 2021, at 12:01 am**. Facilities must be in full compliance at that time.
