Drive-In Event Guidance August 24, 2020

Vehicle-based drive-in gatherings are allowed in Sacramento County under the following conditions:

- Gathering must be held outdoors, and must be by invitation only
- Gatherings of more than 10 cars must have on-site security, requested either through local law enforcement or a private security firm; hosts with their own security on staff may use that security
- Security should ensure compliance with these requirements, as well as social distancing and face covering requirements
- Parking arrangement must accommodate physical distancing and allow for both emergency exit from each vehicle, and emergency vehicle access to the site
- Each gathering is limited to no more than 200 vehicles and can be no longer than 3 hours
- Occupants of the car:
 - Must be of the same household or living unit
 - Must wear face coverings if the windows are open
 - Must always remain in the car, except to go to the restroom (if one is provided) or for the receipt of a significant document, like a diploma
 - May not linger/socialize with occupants of other cars if outside the car
- No food or drink sales or distribution are permitted at the event
- Develop a Gathering Plan
- Gathering planners must apply for any jurisdictional permits, and be prepared to share their gathering plan with local law enforcement or any private security

Thank you for your collaboration and due diligence in these extraordinary times.

Sincerely,
