3 Introduction of Commissioners

4 Consider SEC Draft Comment Letter on Final Draft Sacramento County CAP and Submit Final Comments to County Office of Planning and Environmental Review

Commissioners discussed sending a comment letter with the following points:

- The SEC recommends the County consider the CAP as complete and immediately proceed with implementation of actions, including information illustrating how the actions will be implemented, performance measures, funding and cost effectiveness.
- The information would provide substantive evidence consistent with CAP content

criteria described in §15183.5(b)(1)¹ of the Guidelines for Implementation of the California Environmental Quality Act.

- Proceed to prepare the CAP update and complete as soon as practicable.
- CAP actions should be implemented independently to enable completion of less complex actions at earliest practicable date

Laura Nickerson motioned to approve sending the comment letter as drafted, motion seconded by Shelby Witherby.

Ayes: Mark White, Richard Hunn, Tom Malson, Laura Nickerson, Eric Rivero Montes, Shelby Witherby
